Request for variation and suspension or suspension and extension—petroleum exploration permit

Under part 2.11 of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006*.

In making an application please refer to the title instrument and *Offshore Petroleum and Greenhouse Gas Storage Act 2006*. The *Offshore Petroleum Exploration Guideline: Work-Bid* contains further details in respect of applications for variations, suspensions and suspensions and extensions.

Title and titleholder details

Title number (A separate application is required for each title)	
Type of application	
Variation type	

Note: for exploration permits granted prior to 1 June 2015, a 'transitional work program' variation may be used to opt into a primary work program consisting for a single three year period.

Details of the proposed work program variation and suspension or suspension and extension sought

The titleholder(s) should outline only the permit year(s) to which the variation and suspension or suspension and extension applies and any effect on any subsequent years.

The primary term work program can be entered as individual years (e.g. 1, 2, 3) for permits granted prior to 1 June 2015 or as a block of years (e.g. 1–3) for permits granted after 1 June 2015 (or where the original primary term of a permit granted prior to 1 June 2015 has been changed to a block of years as a result of a variation application)—refer to the title instrument.

Consent of the Commonwealth Environment Minister

Titles that constitute a 'prior usage right' for the purposes of section 359 of the *Environment Protection and Biodiversity Protection Act 1999* (EPBC Act) will require consent from the Minister for the Environment before an **extension** can be granted by the Joint Authority—refer to the 'Offshore Petroleum Guideline: Prior Usage Rights' on [NOPTA's website](#).

In these circumstances, a separate request form must be submitted electronically to Parks Australia, within the Commonwealth Department of the Environment, at: marinereserves@environment.gov.au.

<p>If applicable, has the request form seeking consent to extend the duration of the permit been submitted to the Department of the Environment? (Leave blank if the title does not constitute a prior usage right) (Attach a copy of the consent request form submitted to the Department of Environment)</p>

Application fee payment

The correct application fee must accompany the application (pursuant to section 695L of the Act and Schedule 6 of the *Offshore Petroleum and Greenhouse Gas Storage (Resource Management and Administration) Regulations 2011*). For more details on the methods of payment, refer to www.nopta.gov.au/cost.

<p>Has the application fee been paid or accompanied the application? (Include copy of evidence of payment of the application fee)</p>
